

3 Ways CACCU Can Help Fund Your Dream Vacation!

Summer means flip-flops, sandy beaches, sunscreen, ice cream — but you do not have to take extreme measures to fund the perfect vacation! As a member of California Community Credit Union, you have access to a variety of products and services that can help cover the costs of your trip. Here are three ways CACCU can help send you packing for your dream summer getaway:

#1. Vacation Savings Account

It is easier to save up for a specific goal when you separate the funds from your other accounts. Just as Santa's Helper accounts are intended to be used for holiday costs, vacation savings accounts are designed to help members put away for travel expenses. Spreading the cost of a large expense throughout the year makes it easier to handle, plus, you can earn dividends! So, what are you waiting for? Open yours today! Stop by any of our branch locations to set-up your vacation savings account, or visit CACCU.org for additional information on our products and services.

#2. Signature Loans

Whether you are doing a staycation or a vacation this summer – California Community Credit Union's got you covered. We offer low rates* and flexible terms on personal loans to help fund your much-needed time away. Make your dreams a reality and apply today! Visit [this link](#) to learn more.

#3. VISA Credit Card

CACCU's VISA® Credit Cards offer something most other financial institutions do not- NO annual fee, NO cash advance fees, and the same low rate* on purchases, balance transfers & cash advances. Learn more by visiting [this link](#).

**Rate may vary based on creditworthiness. All loans subject to approval. Rates subject to change without notice.*

Travel Plans? Don't Forget to Notify Us!

Before you take off, make sure to contact CACCU to let us know of any upcoming travel plans to avoid interference on your debit or credit cards. Email us at travelnotes@caccu.org, or contact us by phone with your travel dates & destinations.

Keep Your Cards Safe with Remote Card Control

Remote card control is a safe and easy way to protect your debit card from unauthorized use. You have the ability to temporarily disable & reactivate your VISA debit card, and to report your card as lost or stolen. Simply log into your online banking and from the menu select Remote Control Cards.

***Please note that cards marked as lost or stolen will be permanently blocked.*
